

## **INTRODUCING MOBILE BANKING 4.1**

**Introducing our fully redesigned mobile app.**

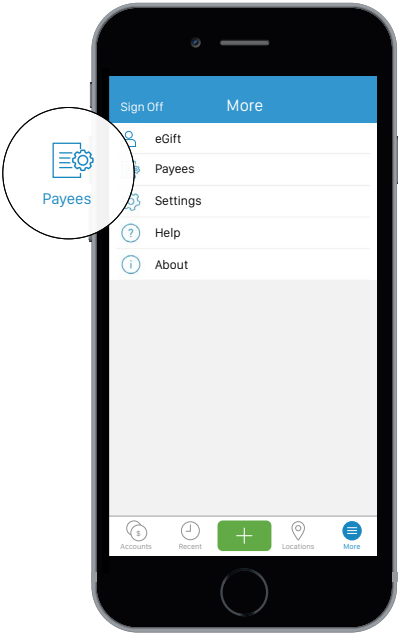

**Our mobile app is now better than ever. Whether checking your balance, depositing a check, paying a bill or transferring funds, our app delivers a new level of speed, convenience and security.**

- **It's Fast:** We've optimized our app's performance to ensure your mobile banking tasks are quicker and easier than ever before.
- **It's Simple:** Our streamlined look and feel makes navigating the app even easier – allowing you to complete your banking tasks more effortlessly.
- **It's Secure:** As fraudsters get smarter, we've stepped up our mobile security to keep your accounts safe and provide peace of mind.

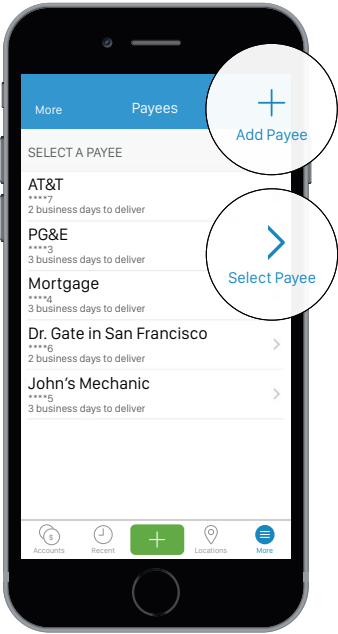

**See Pages 2 & 3 (Below) for Examples of the New Menu Changes**

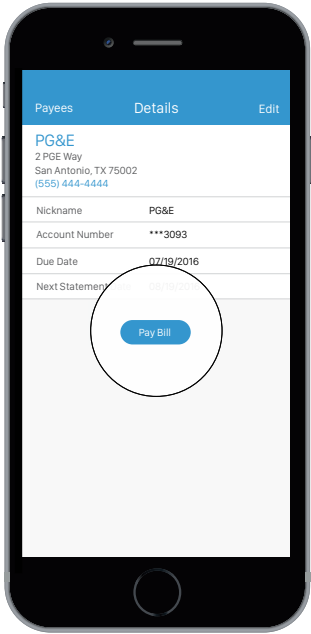

Payee Management Flow:

Tap “” to access Payee Management

Select “” or add “” Payee from the menu

Tap “” to pay a bill
