**Las Vegas, NV** — DepositAccounts.com, a subsidiary of LendingTree, has released its list of the 2018 Top 200 Healthiest Banks in America. Bank of George ranked **10<sup>th</sup>**.

"It is an honor to have Bank of George recognized as among the top 10 healthiest banks in the United States," said President Ryan Sullivan. "This recognition shows that our commitment to excellence and the highest fiduciary standards has paid off — for our depositors and valued clients."

DepositAccounts.com evaluates the financial health of more than 11,000 banks and credit unions in the United States once per quarter. To determine bank ranking and recognition, DepositAccounts.com grades each institution on a number of factors, including capitalization, deposit growth, and loan-to-reserve ratios.

"We believe it is important to give consumers a way to evaluate the financial health of their institutions," said Ken Tumin, founder of DepositAccounts.com. "Our list empowers consumers to make informed decisions when selecting a financial institution."

**About Bank of George**

Bank of George is a locally owned bank that specializes in providing personal service and fast, headache-free lending to its valued customers. The bank was founded in 2007 in the tradition of George Washington, whose legacy was one of strong leadership, integrity, and dedication to community. The bank maintains pristine asset quality including reporting a Texas Ratio (non-performing assets divided by equity and reserves) of 0.00%, a distinction held by very few community banks.
